A photograph of a dining table set with a white tablecloth. In the center, a bottle of wine stands upright. The label on the bottle reads 'LH CHATEAU LABASTIDE HAUTE Malbec 2016 CAHORS'. A hand is positioned above the bottle, holding a cork. To the right of the bottle, there is a wine glass and a water glass. The background is softly blurred, showing more of the table and some greenery.

The image shows the interior of a rustic pub. A long, thick wooden bar counter runs through the center, with several wooden bar stools lined up along its side. Behind the bar, shelves are stocked with various bottles of alcohol. The ceiling is made of exposed wooden beams, and the walls are also finished with wood paneling. A doorway in the background leads to another part of the pub. The overall atmosphere is warm and traditional.

# THE STUMP

Make yourself at home in the most buzzy  
pub in Gloucestershire.  
The Stump has ten well presented ensuite  
bedrooms.

The image shows the interior of a rustic inn. In the center is a stone fireplace with a black metal stove, where a fire is burning. Above the fireplace, a taxidermy mount of a bull's head with large horns is displayed on a wooden beam. The wall behind the fireplace is made of rough-hewn stone. On either side of the fireplace are built-in wooden shelves filled with numerous green glass bottles, likely beer or wine. In the foreground, there are several tables and chairs. Some tables are set with plates of food, glasses, and lit candles, creating a warm and inviting atmosphere. The lighting is soft and focused on the fireplace and the shelves.

# THE NEW INN

The New Inn is a 16th-century coaching inn set in a beautiful sleepy corner of the Cotswolds. The New Inn has 15 luxurious ensuite bedrooms.
